Lighting the Way*

St. Boniface Catholic Church Parishioner

This is a wonderful time in the life of St. Boniface Catholic Church as we look to the opportunity to expand our church family. A diverse group of members has been called to serve as leaders in the Lighting the Way Campaign. So, what is your part in the campaign?

Please take this time to learn more about what the renovations mean to St. Boniface, both in the physical transformation of the building, and more importantly, the significant impact these improvements will have on our parish family and service to the community. Consider the importance St. Boniface has in your spiritual journey, the friendships you have formed here, and fun you and your family can have through your involvement in our community of faith.

As faithful stewards, we must communicate with God through prayer and listen to what God would have us do. In the days and weeks ahead, you will be asked to prayerfully consider your individual or family gifts to the Lighting the Way campaign. Please consider the many gifts and blessings God has given you and pray for God's guidance in your life and the life of St. Boniface. The successful outcome of the Lighting the Way campaign will have a lasting legacy at St. Boniface, in Oak Harbor, and throughout the world. Those who have come before us shared their talents and blessings with St. Boniface, directly benefiting us in our faith journey. You now have the same opportunity to share your blessings and extend the grace of God to generations who follow us.

Our goal, at this point, is to raise \$1,000,000.00 to revitalize the parish family home of St. Boniface. Let's all participate in making this parish an important part of the future of our community and faith, no matter how small our contribution.

Sincerely yours in Christ,

Fr. David Ritchie  
Pastor
